

Swinburne Annual Appeal

All alumni and friends of Swinburne are urged to make a donation. This is a unique opportunity for you to play a part in ensuring that Swinburne achieves its goals and objectives for its students, by continuing to provide them with the finest possible education and facilities.

You may not be aware that Swinburne must now generate approximately 50% of its total income from non-government sources such as student fees and industry research grants. So, it's clear that we need your help.
