Getting started at TAFE

We know you want to enjoy and thrive in the challenges of your course. This session will give you some tips on how to hit the ground running and make a successful start at TAFE.

Course specific session

At this session you will receive information and material specific to your course of study. This is also an opportunity to meet your teachers, administrative staff and get to know other students in your course.

You can find more information on orientation at
www.swinburne.edu.au/orientation
